

# **Here is Some Food For Thought**

Food For Thought is an easy way for families to contribute to Ascension School and *it does not cost you a dime* !!!

You buy gift cards for groceries and stores that you normally shop and they give us a percentage, sometimes up to 25%. That money really adds up! Over the past 13 years Food For Thought has provided over \$200,000 to supplement the needs at Ascension School. Last year's funds will be used to purchase and install 4 Smart Boards, contribute to the new online grading system and fire pottery for the art department. If you are curious about what else your participation has funded in the past check it out on the Ascension web site.

Please consider participating this year. It is as simple as

- 1. Fill out and sign the attached form.**
- 2. Add a voided check or Credit Card Number.**
- 3. Send it in with your paperwork.**

We will take care of the rest and you will receive your cards through your child's back pack.

\*\* Please note credit cards cost us 2.5% and therefore can not be used to purchase Walmart/Sams cards.

Many thanks form the FFT team!
